Springfield, MO, January 19, 2015 – Gina McMurtrey Interiors, LLC of Willard, MO has been awarded “**Best Of Houzz**” for Customer Satisfaction by Houzz, the leading platform for home remodeling and design. The 5-year old independent interior design firm—who offers full service interior design, as well as the innovative online eDECORATING service for DIY customers—was chosen by the more than 25 million monthly unique users that comprise the Houzz community from among more than 500,000 active home building, remodeling and design industry professionals.

The Best Of Houzz award is given in two categories: Design and Customer Satisfaction. Winners will receive a “Best Of Houzz 2015” badge on their profiles, helping Houzz users around the world who discover and love a professional’s work to learn even more about that business’ popularity and satisfaction rating among their peers in the Houzz community.

“It is a definite honor to be chosen as the Best of House for Customer Satisfaction. We work hard to create beautiful interiors, of course, but the most meaningful reward comes with happy clients who are satisfied with our work and are eager to use us again and again.
